

2, 5 and the 10 times tables
My Times Tables Bronze, Silver, Gold and Platinum awards

Name: _____

Bronze: I can count up in multiples of 2's, 5's and 10's.
(e.g. 0, 2, 4, 6, 8 ...)

Silver: I can recite the 2's, 5's and 10's fully.
(e.g. one times two is two, two times two is four ...)

Gold: I can answer random multiplication questions on this table in response to a range of vocabulary.
(e.g. what is four times five? What is the product of seven and ten?)

Platinum: I can answer random division questions on this table.
(e.g. How many two in twelve? How many groups of five are there in twenty five?)
