

Passport to flourish

'Whatever you do, work at it with all your heart.' Colossians
3:23

Our vision for everyone to flourish as a unique individual, made in the likeness of God, has driven the design of our extra curricular offer. It is aspirational. It celebrates diversity and difference. It opens the eyes of pupils to a world beyond Long Itchington and offers the opportunity for pupils to live out the school values to ensure our children develop as responsible, resilient, independent and enthusiastic learners who are well equipped for the next stage in their learning, we provide them with following to develop the rounded citizen who is ready to take their place in modern Britain.

Drawing on the language of wows, ows and nows, conversations around spirituality will be included in our offer and is exemplified by our commitment to make space in the crowded curriculum to nurture spiritual growth.

The Core Mission of the Diocese of Coventry Multi Academy Trust is to build a better future for all within our Academies who in turn will positively impact their communities.

Together, pursuing 'life in all its fullness' (based on John 10:10)
